

Aims of the Year

As the forth proposed executive committee of the Society of Earth Sciences, we aim at creating our own traditions and keeping them for the future. We hope to strengthen the sense of belonging among our Members towards the Society.

- To strengthen the relationship among alumni and members
- To act as a bridge between Society members and the Department
- To arouse members' and public interest in Earth Sciences

Introduction of the Proposed 4th Executive Committee Members

Proposed President
Cheung Chin Ho, Eric 張展豪
Bachelor of Science (Year 1)
Intended Major: Earth Sciences

Proposed Internal Vice-President
Law Chun Hei, James 羅進熙
Bachelor of Science (Year 1)
Intended Major: Earth Sciences

Proposed External Vice-President
Chiu Man Hei, Arthur 趙文熙
Bachelor of Science (Year 1)
Intended Major: Earth Sciences

Proposed General Secretary
Law Yuk Yi, Joyce 羅玉賢
Bachelor of Science (Year 1)
Intended Major: Earth Sciences

Proposed Financial Secretary
Li Tsz Ying, Janet 李芷瑩
Bachelor of Science (Year 1)
Intended Major: Earth Sciences

Proposed Academic Secretary
Wong Yu Ching, Angie 黃愉晴
Bachelor of Science (Year 1)
Intended Major: Earth Sciences

Proposed Marketing and Welfare Secretary
Ho Cheuk Wing, Samantha 何卓穎
Bachelor of Science (Year 2)
Intended Major: Earth Sciences and Environmental
Science

Proposed Social Secretary
Chu Chun Yip, Andrew 朱俊業
Bachelor of Science (Year 1)
Intended Major: Earth Sciences

Proposed Publication and Publicity Secretary
Hui Ming 許銘
Bachelor of Science (Year 1)
Intended Major: Earth Sciences

Timetable of Activities in Session 2012-2013

Date	Function	PIC
Feb 2012	Career Talk	Wong Yu Ching, Angie (Proposed Academic Secretary)
Mar 2012	Welfare Day I	Ho Cheuk Wing, Samantha (Proposed Marketing and Welfare Secretary)
	Science Festival	Chlu Man Hei, Arthur (Proposed External Vice-president) Li Tsz Ying, Janet (Proposed Financial Secretary)
Apr 2012	Super-pass Dinner I	Chu Chun Yip, Andrew (Proposed Social Secretary)
Jun 2012	Dinner Gathering I	Li Tsz Ying, Janet (Proposed Financial Secretary)
	Field Trip - Geological Park	Wong Yu Ching, Angie (Proposed Academic Secretary)
Jul 2012	Adventure Day Night Walk with Lung Chan 與龍同行	Chu Chun Yip, Andrew (Proposed Social Secretary)
Aug 2012	Registration Period I & II	Law Yuk Yin, Joyce (Proposed General Secretary) Hui Ming (Proposed Publication and Publicity Secretary)
	Orientation Day	Law Chun Hei, James (Proposed Internal Vice-president) Chu Chun Yip, Andrew (Proposed Social Secretary)
Sept 2012	Orientation Camp	Law Chun Hei, James (Proposed Internal Vice-president) Chu Chun Yip, Andrew (Proposed Social Secretary)
	Welfare Day II	Ho Cheuk Wing, Samantha (Proposed Marketing and Welfare Secretary)

Nov 2012	Super-pass Dinner II	Chu Chun Yip, Andrew (Proposed Social Secretary)
Dec 2012	Dinner Gathering II	Law Yuk Yin, Joyce (Proposed General Secretary)
	New Year Ball Game	Chu Chun Yip, Andrew (Proposed Social Secretary)

Career Talk

Date of Programme: 7th — 9th February 2012
Time of Programme: 18:00-20:00
Venue of Programme: HKU James Lee Building Room 105
Target group: Mainly all Earth Sciences students but open to the public
Person-in-charge: Wong Yu Ching, Angle
(Proposed Academic Secretary)

Objective(s)

To introduce the nature of working at different companies and its recruitment to Earth Sciences students

Description

A representative from different companies will give a presentation about the future career prospect and shares his/her experiences.

Organizing Information

Expected No. of Participants: 30

Proposed Function Details

Component

- Presentation
- Refreshment
- Q & A

Promotion

- Sending mass e-mail
- Having class announcement
- Promoting in Facebook

Preparation Schedule

Date	Event
Early February	Promotion
Day before the function	Preparing refreshment

Science Festival

Date of Programme: 20th-22nd March, 2012
Time of Programme: 12:30-18:00
Venue of Programme: Run Run Shaw Podium
Theme of Programme: Beauty of Science
Target group: University students and Secondary school students
Person-in-charge: Chiu Man Hel, Arthur
(Proposed External Vice-president)
Li Tsz Ying, Janet
(Proposed Financial Secretary)

Objective(s)

- To introduce the 4 spheres(atmosphere, hydrosphere, geosphere and biosphere) of the earth
- To acknowledge the public about the importance of the interaction of the 4 spheres
- To raise the awareness of problems that the earth and human facing nowadays
- To arouse the interests in studying Earth Sciences among secondary school students

Description

Science Festival is an activity organized by the Science Society to promote science among students and public.

Organizing Information

Expected No. of Participants: 20 per day
Expected No. of Helpers: 3 – 4
Budget: \$ 450 subsidized by Science Society
Topic: Beauty of Earth

Helpers

Target: Undergraduate students

Proposed Recruitment Period: Early March
Proposed Recruitment Means: Face-to-face invitation

Proposed Function Details

Components

- Bulletin boards in booth
- Video and documentary about the earth in booth
- Museum tour

Promotion

- Promotion done by Science Society

Preparation

- Bulletin boards
- Video and documentary
- Helper recruitment

Preparation Schedule

Date	Event
Early March	<ul style="list-style-type: none">● Booth decoration planning● Helper recruitment
Mid-March	<ul style="list-style-type: none">● Purchasing materials● Making bulletin boards
Days before function	<ul style="list-style-type: none">● Setting up the booth

Field Trip – Geological Park

Date of Programme: Early June
Time of Programme: 10:00-17:00
Venue of Programme: High Island
Target Group: All HKU students
(Priority given to the Society Members)
Person-in-charge: Wong Yu Ching, Angie
(Proposed Academic Secretary)

Objective(s)

- To foster internal coherence between the Society Members and other HKU students
- To deepen Members' understanding in Hong Kong Geology

Description

Field trip will be a chance for students to study the special geological features in Hong Kong.

Organizing Information

Expected No. of Participants: 30

Proposed Function Details

Message to be delivered

After the field trip, it is hoped that participants can have more understanding of the geology of Hong Kong and develop their interest in the field of Earth Sciences. Moreover, it is hoped that the relationship of Society members can be fostered.

Components

- Sight-seeing
- Hiking

Promotion

- Sending mass e-mail
- Putting up posters
- Having class announcement
- Promotion in Facebook

Preparation Schedule

Date	Event
Early or Mid April	Promotion
Late May	Pre-trip

Adventure Day –Night Walk with Lung Chan 與龍同行

Date of programme: Early July
Time of programme: 21:00 –06:00
Venue of programme: Tai Long Wan
Target group: All Society Members and teaching staff from the DES
Person-in-charge: Chu Chun Yip, Andrew
(Proposed Social Secretary)

Objectives(s)

- To have fun with our members and teachers
- To strengthen relationships between our department professors and students

Description

Adventure Day is a gathering for our members and teaching staff to have fun outside the campus. Invitation to our department teaching staff will be sent one month in advance. Professor Chan Lung Sang is invited to attend this event.

Organizing Information

Expected No. of participants: 30

Proposed Function Details

Components

- Night walking
- Enjoy sun rise

Promotion

- Sending the mass e-mail
- Class announcement
- Promoting in Facebook

Preparation Schedule

Date	Event
Late April	Class announcement
Early June	Confirmation of the venue and activities
Early June	Promotion
One week before the function	Reminding participants and pre-trip

Registration Period I & II

Date of Programme: Late July and August 2012
Duration of Programme: 4 days
Venue of Programme: TBA
Target group: All freshmen
Person-in-charge: Law Yuk Yin, Joyce
(Proposed General Secretary)
Hui Ming
(Proposed Publication and Publicity Secretary)

Objective(s)

- To introduce Earth Sciences and raise freshmen's interest in this curriculum
- To respond to queries of the subjects and the University matters
- To recruit new members for the Society
- To encourage freshmen to join the Orientation Camp

Descriptions

Registration Day is a day for freshmen who are interested in Earth Sciences to apply for membership and participate in orientation events. General information about the Society and Department of Earth Sciences will be provided to them.

Organization Information

- Expected No. of Helpers: 4-5

Helpers

- Target: Undergraduates and postgraduates
- Proposed Recruitment Period: April
- Proposed Recruitment Means: In-person invitation, sign-up forms

Proposed Functions Details

Message to be delivered

We aim at introducing Earth Sciences to freshmen so as to deepen their understanding of the academic discipline. Leaflets from the department will be distributed and photos of field trips will be exhibited. We hope to attract freshmen to join our Orientation Camp and choose Earth Sciences as their Major or Minor.

Components

- Booth
- Souvenirs (files and society paper from department)
- Orientation Camp leaflets

Promotion

- Banner
- Posters

Preparation Schedule

Date	Events
Late July	Decoration planning
2 weeks before the on day	Poster printing and materials purchasing
On day	Booth set-up

Orientation Day & Orientation Camp

Date of Programme: 31st August, 2012 (Orientation Day)
4th-6th September, 2012 (Orientation Camp)
Duration of Programme: 4 days
Venue of Programme: HKU campus (Orientation Day)
Pak Tam Chung Holiday Camp (Orientation Camp)
Person-in-charge: Law Chun Hei, James
(Proposed Internal Vice-president)
Chu Chun Yip, Andrew
(Proposed social secretary)

Objective(s)

- To help freshmen develop friendship with each other
- To let freshmen know more about materials on Earth
- To increase the popularity of Earth Sciences
- To increase freshmen's problem-solving abilities

Description

Orientation Day & Orientation Camp is one of the important events in this year for both freshmen studying 3-year curriculum and 4-year curriculum. By doing some group activities, participants can learn how to solve problems and hence increase their problem-solving skills. Besides, participants can develop their friendship through this 3-day overnight camp. This event can also help freshmen who are interested in the major of Earth Sciences learn more about Earth Sciences such as the 4 spheres on the Earth.

Organizing Information

Expected No. of Participants: 30 freshmen
Expected No. of Helpers: 10 student helpers (major in Earth Sciences)
Charge: Participants: \$ 330 approx.
Charge: Helpers: \$300 approx.

Helpers

Target: Mainly undergraduates, supported by postgraduates
Proposed Recruitment Period: March – July
Proposed Recruitment Means: In-person invitation, sign-up forms

Proposed Function Details

Message to be delivered

We hope that after joining this orientation series, participants can learn more about Earth Sciences and we can give them a brief description of 4 spheres on the Earth. Besides, we hope this activity can help to strengthen the social linkages between freshmen.

Components

Orientation Day:

- Ice-breaking games
- Museum tour and Campus tour

Orientation Camp:

- HKO
- Mass games
- Rock climbing
- BBQ and Night walk
- Detective Game
- Hiking and rock study
- Boating (if possible)

Promotion

Distribution of leaflets on Registration Days and Faculty's Induction Days (600 pieces of A6 leaflets and 10 pieces of A3 size poster for booth decoration)

Preparation Schedule

Date	Event
Early January	Holiday Camp booking
March – July	Helpers recruitment and Finding sponsorship
Mid June	Pre-tour and Pre-camp
Late June	Pre-camp and Camp Tee polling
Late July	Poster Printing, Camp Tee ordering, Helpers Briefing
30 th July – 1 st August	Promotion during Registration Day (3-year curriculum)
2 nd August	Promotion during Induction Day (3-year curriculum)
20 th – 22 nd August	Promotion during Registration Day (4-year curriculum)
23 rd August	Promotion during Induction Day (4-year curriculum)
A week before	Games Preparation, Helpers Briefing
2 days before	Calling to Participants to remind them things to bring
An hour before	Final checking, Helpers briefing

Super-pass Dinners

Date of Programme: Late April 2012 and Late November 2012
Time of Programme: 1830-2100
Venue of Programme: JL 104 or restaurants in Western District
Target group: All Society Members
Person-in-charge: Chu Chun Yip, Andrew
(Proposed Social Secretary)

Objectives(s)

- To provide members a chance to relax before examination
- To strengthen relationships among members
- To bless our members to have good examination results

Description

Super-pass Dinner is a gathering for undergraduates before the examinations, providing them a time to relax and wishing for good exam result. It is also a gathering for ESS members. The mass games can let members different years and classes to get closer to each other and build up friendships.

Organizing Information

Expected No. of participants: 30
Proposed charge: \$50 approx

Proposed Function Details

Components

- Writing super-pass red paper
- Distributing the \$1.3 red pocket
- Mass games
- Photo taking
- Dinner

Promotion

- Sending the mass e-mail
- Putting up posters
- Having class announcement
- Promoting in Facebook

Preparation Schedule

Date	Event
Late March and Late October	Confirmation of the venue and activities
Early April and Early November	Promotion
Days before the function	Preparation of materials such as red paper, ink .etc

Dinner gatherings

Date of programme: Tea gathering 1: Early June 2012
Tea gathering 2: Late December 2012

Time of programme: TBA

Venue of programme: JL104

Target group: Alumni and all society members

Person-in-charge: Li Tsz Ying, Janet
(Proposed Financial Secretary)
Law Yuk Yi, Joyce
(Proposed General Secretary)

Objective(s)

- To foster coherence between alumni and undergraduates
- To allow students to explore the future career aspects through chit chatting with alumni
- To act as a farewell party for the Year 3 members

Description

Dinner gathering is a time for undergraduates to know more about the career aspects after graduation in Earth Sciences from alumni under a relaxing atmosphere.

Organizing Information

Expected No. of participants: 30
Charge for members: \$ 20 each

Proposed Function Details

Components

- Refreshment/Dinner
- Photo taking

Promotion

- Sending the mass e-mail
- Having class announcement
- Promoting in Facebook

Preparation

- Inviting alumni
- Preparing refreshment/ dinner

Preparation Schedule

Date	Event
Late April and November	Sending invitations to alumni and confirming that date for the event
Mid May and Early December	Promotion
Days before the function	Preparation of refreshment

New Year Ball Game

Date of Programme: Late December 2012
Time of Programme: 18:00 – 22:30
Venue of Programme: Flora Ho Sport Centre
Target group: All society members
Person-in-charge: Chu Chun Yip, Andrew
(Proposed Social Secretary)

Objective(s)

- To release stress after exam
- To foster coherence between freshmen and other members

Description

New Year Ball Game is a gathering for undergraduates before the examinations, providing them a time to relax and wishing for good exam result. It is also a gathering for ESS members. The mass games can let members different years and classes to get closer to each other and build up friendships.

Organizing Information

Expected No. of participants: 30

Proposed Function Details

Components

- Proposed badminton games
- Drinks
- Prizes
- Photo taking
- Dinner

Promotion

- Sending the mass e-mail
- Putting up posters
- Having class announcement
- Promoting in Facebook

Preparation Schedule

Date	Event
Late October	Confirmation of the venue and activities, site booking
Early November	Promotion
Days before the function	Preparation of materials such as balls, prizes, drinks .etc

Welfare for the Society Members

General Welfare

Person-in-charge: Ho Cheuk Wing, Samantha
(Proposed Marketing and Welfare Secretary)

Objective(s)

- To enhance members' sense of belonging
- To provide products at a reasonable price for members

Description

General welfares will be provided to the Members in order to give the most benefits to them, and enhance the relationship between the Society and the Members. It aims at promoting the well-being and interests of the Members.

Items

Society Products

Proposed items:

- Society T-shirt (x100)
- Society jacket (x40)
- Field book (x50)
- Hand lens (x30)

Proposed price:

- Society T-shirt: Members \$35 ; Non-members \$55
- Society jacket: Members \$90 ; Non-members \$110
- Field book: Members \$ 8 ; Non-members \$15
- Hand lens: Members \$20 ; Non-members \$35

Publishing Date: Early March and Late September

Preparation Schedule

Date	Event
Mid February	Circulation and polling of designs in class and through internet Design of Society membership card will be ready Place order for Society T-shirts, Field books, Hand lens
Late February	Collection of society products and membership cards
Early March	Promotion of Welfare Day I
Mid July	Circulation and polling of designs in class and through Internet Place order for Society jacket
Late August	Collection of Society jacket
Early September	Promotion of Welfare Day II

Welfare Days

Date of Programme: Welfare Day 1: Early March 2012
Welfare Day 2: Mid September 2012

Time of Programme: TBA

Proposed Venue of Programme: Near the main entrance of James Lee Science Building

Target group: All society members

Person-in-charge: Ho Cheuk Wing, Samantha
(Proposed Marketing and Welfare Secretary)

Objective(s)

- To provide general welfare to the members
- To give chances for members to purchase the society products
- To strengthen the sense of belonging to the society by society products

Description

Welfare Days will be provided to the members in order to give the most benefits to them, and enhance the relationship between the society and member. It aims at selling inventories with discounts (e.g. Orientation camp T-shirt, society T-shirt, society jacket and paper) and new products to the members.
